Tools are only

**10%**

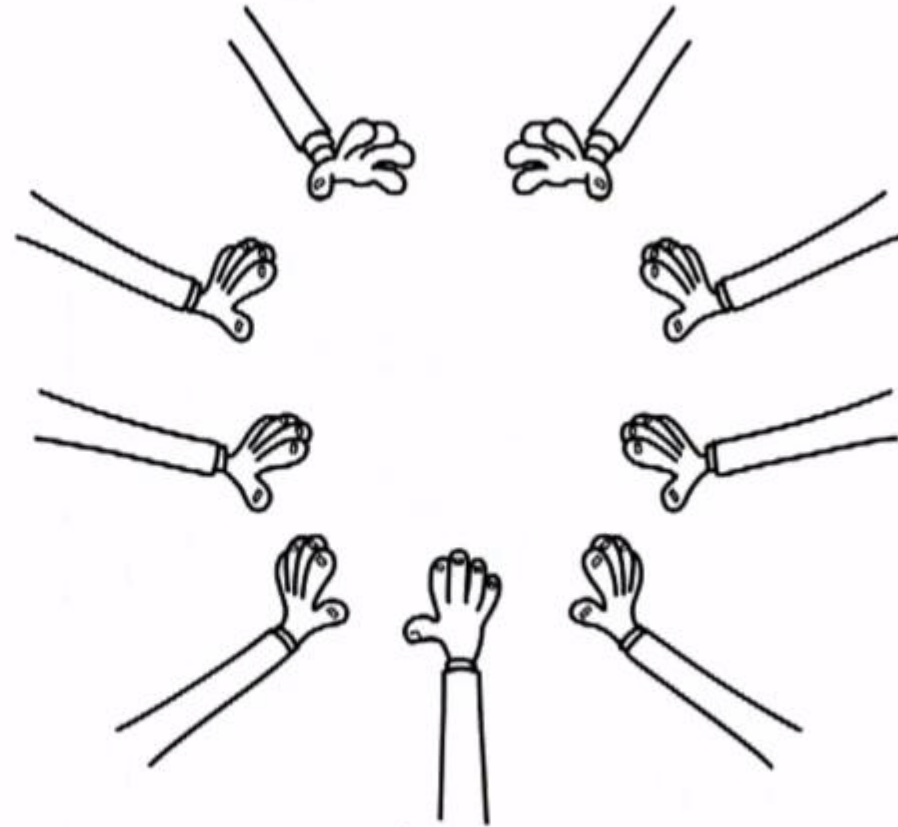

of Lean  
transformation

**90%**

*Just for Training - Not for professional use.*

More than focusing on tools,

we have to

**focus on culture change**

# #A. What is the action plan to change company culture?

*Just for Training - Not for professional use.*

**#B.** What are training, benchmarking activities, workshops

that we will do to change  
managements mindset?

*Just for Training - Not for professional use.*

# #C. How will you change your organization to support Lean Implementation?

# How Long Does it Take for Something to Become a Habit?

*Just for Training - Not for professional use.*

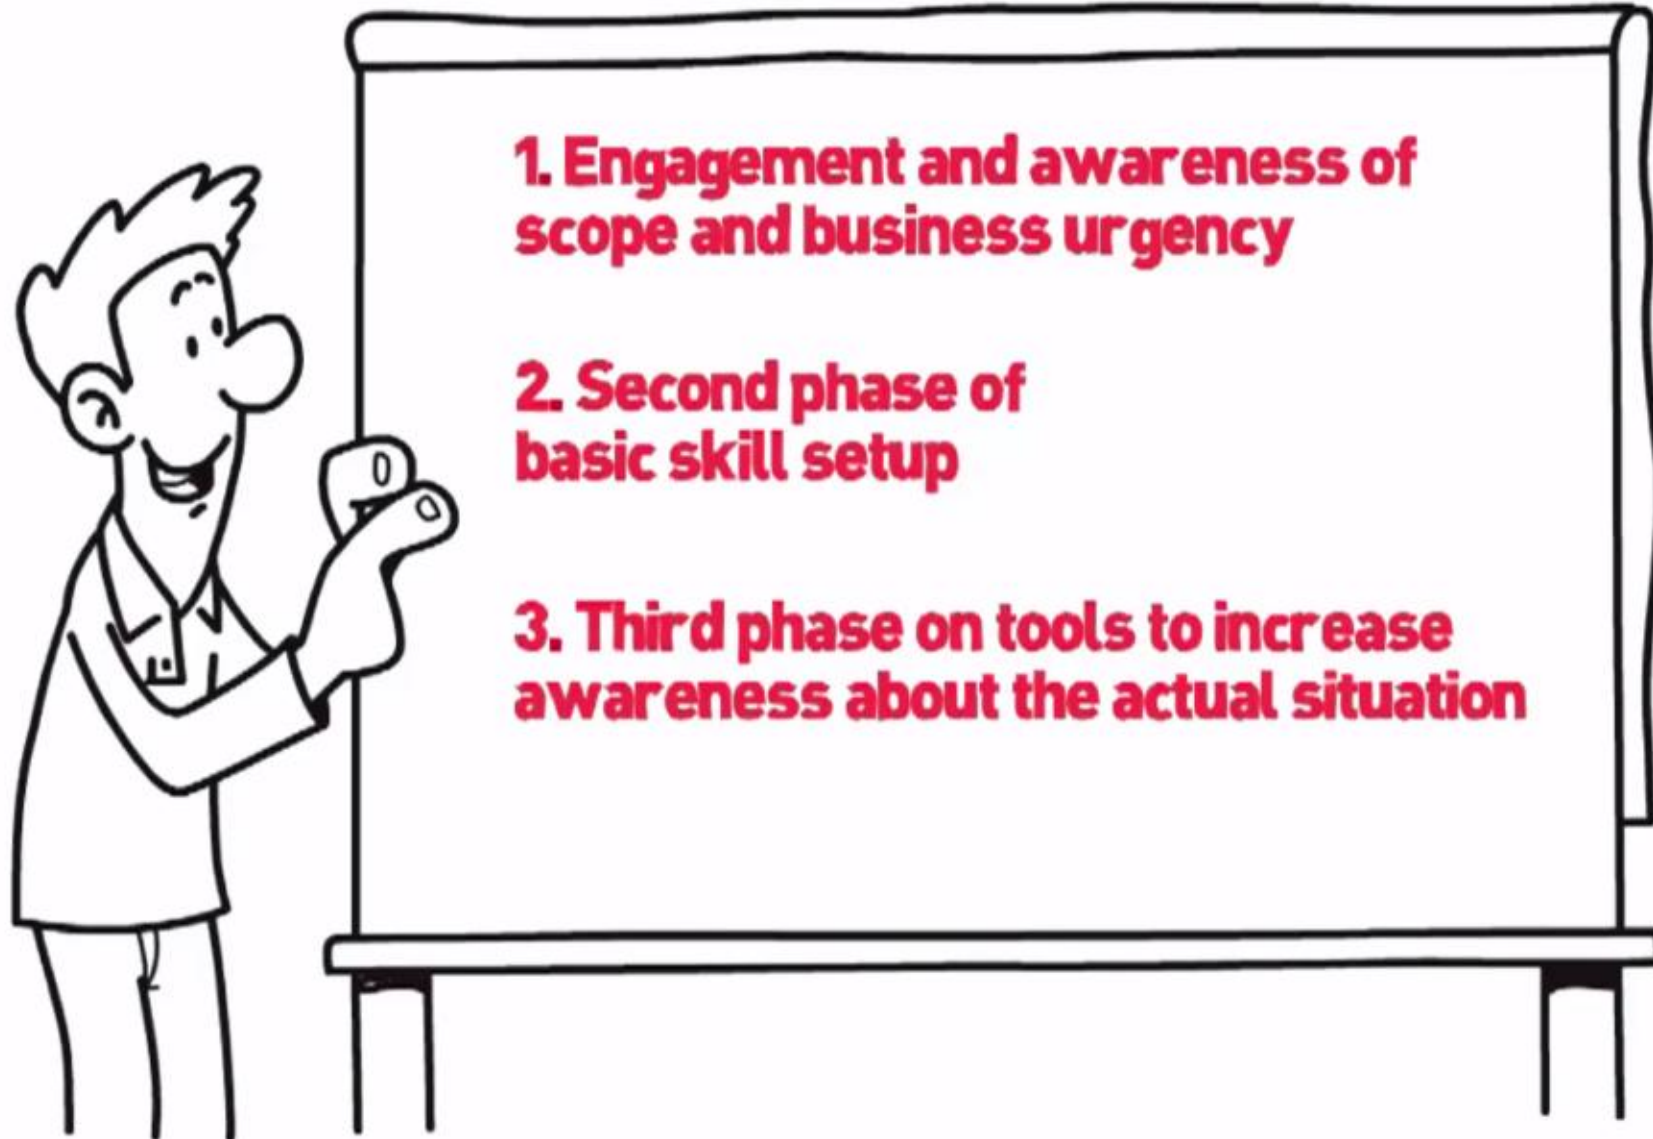

**66 Days!**

*Just for Training - Not for professional use.*

We should Create a deployment plan divided into phases:

*Just for Training - Not for professional use.*

# Target is to achieve
